

Lisbon Sauerkraut Days Committee Grant Requirements

The Lisbon Sauerkraut Days Committee since 1996 has given back to our communities \$74,130.00 in community grants and scholarships. We take pride in being able to give back to many great organizations and individuals.

The Sauerkraut Committee requires the request for a grant be submitted in writing by August 31, 2012. It needs to include a dollar amount and what the money will be used for. This can be given to any Committee member or mailed to the address listed below. With the task of operating Sauerkraut Days the Committee decided to reward those groups and/or individuals who help us with the event. Examples are: setup, teardown, running or working an event, working in our food booth or beverage tent, etc. Grant totals vary based on our year's outcome.

If you are a graduating senior from Lisbon High School you can apply for one of two \$500 scholarships to attend either a two or four year college. Applications can be obtained from the Lisbon High School Guidance Counselor.

There are plenty of opportunities for your group to get involved with Sauerkraut Days and help make it the success it is every year. Contact the Lisbon Sauerkraut Committee to see how you can get participate.
