

2024 WALL OF SUPPORT

AUGUST, 2024

Lisbon's Annual Sauerkraut Days celebration has been a great success thanks to business and community support over the years!

Planning for the 2024 festival is well underway. You can expect to see traditional carnival rides, free sauerkraut, ice cream social, Lora Light Memorial Parade, and fireworks plus much more.

We would like to invite your business or individual name to be featured throughout the three day festival. Your donation is important to us and with your help we can continue to make Sauerkraut Days bigger and better each year!
